GENERAL INSTRUCTIONS

Federal:

Who Must File: All issuers making an offering of securities in reliance on an exemption under Regulation D or Section 4(6), 17 CFR 230.501 et seq. or 15 U.S.C. 77d(6).

When To File: A notice must be filed no later than 15 days after the first sale of securities in the offering. A notice is deemed filed with the U.S. Securities and Exchange Commission (SEC) on the earlier of the date it is received by the SEC at the address given below or, if received at that address after the date on which it is due, on the date it was mailed by United States registered or certified mail to that address.

Where To File: U.S. Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549.

Copies Required: Five (5) copies of this notice must be filed with the SEC, one of which must be manually signed. Any copies not manually signed must be photocopies of the manually signed copy or bear typed or printed signatures.

Information Required: A new filing must contain all information requested. Amendments need only report the name of the issuer and offering, any changes thereto, the information requested in Part C, and any material changes from the information previously supplied in Parts A and B. Part E and the Appendix need not be filed with the SEC.

Filing Fee: There is no federal filing fee.

State:

This notice shall be used to indicate reliance on the Uniform Limited Offering Exemption (ULOE) for sales of securities in those states that have adopted ULOE and that have adopted this form. Issuers relying on ULOE must file a separate notice with the Securities Administrator in each state where sales are to be, or have been made. If a state requires the payment of a fee as a precondition to the claim for the exemption, a fee in the proper amount shall accompany this form. This notice shall be filed in the appropriate states in accordance with state law. The Appendix to the notice constitutes a part of this notice and must be completed.

ATTENTION

Failure to file notice in the appropriate states will not result in a loss of the federal exemption. Conversely, failure to file the appropriate federal notice will not result in a loss of an available state exemption unless such exemption is predicated on the filing of a federal notice.

The offering is a continuous offering of A-1/P-1/F1 commercial paper notes issued in minimum denominations of \$250,000 with maturities of up to 270 days. The commercial paper notes will typically be issued and transferred through the book-entry system provided by Depository Trust Company. The aggregate face amount of such commercial paper outstanding at any time will not exceed \$800,000,000. Due to these circumstances the total number of investors and aggregate amount of purchases over the life of the program is difficult if not impossible to ascertain.

The Charles Schwab Corporation
Form D - Private Placement of Commercial Paper Notes
EndNotes:

1 Because this offering is a continuous offering, additional dealers may be added from time to time.

2 This amount depends on the number of trades that are actually made each day. Because this offering is a continuous offering, the amount indicated for transfer agent's fees is an approximation of such fees per year, assuming that five trades are made each business day.

3 This represents approximate legal fees in connection with the initial issuance of notes. Because this offering is a continuous offering, additional legal fees may be incurred from time to time.

4 This amount depends on how frequently notes are sold and the dollar amount of the notes sold. The actual sales commission to be paid by the issuer will be calculated based on a standard broker commission of five basis points. Because the amount of commission will be calculated based on the aggregate purchase price of the notes actually sold, it is impossible to accurately estimate the amount of sales commissions to be paid. For every \$100,000,000 of notes sold, the broker sales commission will be \$50,000.

5 This amount depends on the average daily balance of notes outstanding during a quarter. Because this offering is a continuous offering, the amount indicated for rating agency fees is an approximation of such fees, assuming an average daily balance of \$100,000,000 of notes outstanding per quarter.
